Annual Catalog

MAY 2025–APRIL 2026

Why Do You Create?

For us, paper crafting is about creating something meaningful and memorable for the important people in our lives!

It might be a handmade card with a heartfelt message to celebrate something special, or a Thinking of You card for someone on a particularly happy or hard day. It could be taking time to create fun favors for a party or a stunning piece of home decor—or capturing life's moments with beautiful scrapbook pages that become lasting keepsakes. Taking time to make something for the people you love is a special reminder of how much you care.

Your creativity is a gift you can share, whether you're crafting for a family member, a friend, a neighbor—or yourself! We hope as you look through this catalog, you'll find many products made with your needs in mind—to help create stronger connections and rewarding experiences with the people around you. After all, why we create and who we create for are just as important as what we create.

Enjoy!

Ask a Stampin' Up! Artist

Have you ever wondered what a tool does or how to use an accessory?
We've asked our in-house artists some of your most common crafting queries!

Q: CAN I USE A HAIR DRYER FOR EMBOSSING?

A: Please don't. Hair dryers are nowhere near hot enough for that. Try our Heat Tool instead. It has two heat settings—low for drying ink and high for heat-setting embossing powder!

HEAT TOOL • 129053 | \$32.00
2 heat settings.

Q: WHAT IS THE TAKE YOUR PICK™ TOOL?

A: It's a precision picker-upper! More specifically, it's a multipurpose tool with a sticky putty tip that helps pick up and place sequins, paper accents, and other small objects. The other end has three changeable tips with even more uses.

1. TAKE YOUR PICK 144107 | \$12.00

1 multipurpose crafting tool.

2. TAKE YOUR PICK CRAFTER TIPS 161602 | \$21.00

3 specialty tips: hobby blade, pick tip, rotary perforating tip.

3. TAKE YOUR PICK PUTTY REFILL 150006 | \$5.00

2 replacement putty tips.

4. TAKE YOUR PICK DIE BRUSH TIP • 149655 | \$13.00

1 brush head and 2 foam pads.

Q: IS THE DIE BRUSH TIP NECESSARY?

A: Not if you have the time (and the patience) to weed out your die cuts by hand. Otherwise, the die brush tip helps cut down weeding time.

Leave the heavy weeding for the garden! This tip makes light work of weeding detailed die-cut pieces.

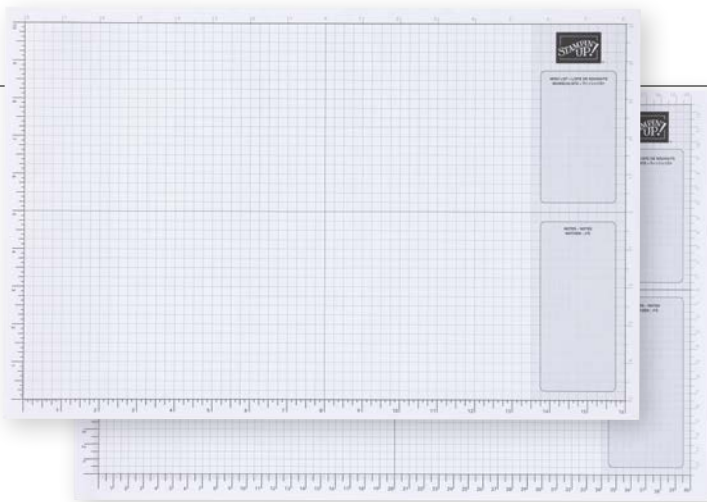

Q: WHAT ARE SOME WAYS TO USE A BONE FOLDER?

A: Scoring, making super crisp folds, and curling paper die cuts and ribbon.

**BONE FOLDER
102300 | \$8.00**

Q: IS GRID PAPER AS ESSENTIAL AS PEOPLE SAY?

A: We think so! It protects your work surface from glue and ink stains, can be used as scrap paper, has a built-in ruler and grid for a handy placement guide, and so much more.

GRID PAPER • 130148 | \$13.00

100 sheets. 11" x 17" (28 x 43 cm).

Q: WHAT'S THE FUSS ABOUT PAPER SNIPS SCISSORS?

A: The fussy cutting! The pointed tip and sharp edges make fussy cutting a breeze. They're small, precise, and come with a protective cover for safe travel—a true crafting staple!

PAPER SNIPS SCISSORS

103579 | \$12.00

Scissor blades: 2-1/2" (6.4 cm).

Q: ISN'T MASKING PAPER USED FOR PAINTING HOUSES?

A: While that type of masking paper exists, ours is for creative crafting! You can use Masking Paper to make stencils, build layered scenes, create a mask for detailed stamp designs, and more.

STAMPIN' UP! MASKING PAPER

155480 | \$7.00

12 sheets. 5" x 7" (12.7 x 17.8 cm).

Q: I'VE ALREADY GOT THE PAPER SNIPS SCISSORS—DO I NEED A PAPER TRIMMER, TOO?

A: Absolutely! The Paper Trimmer and Paper Snips Scissors complement each other—one shouldn't replace the other. Paper Snips can be used on materials like ribbon while the Paper Trimmer is for paper only. The straight-edge guides and ruler makes precision cutting and scoring a piece of cake.

1. PAPER TRIMMER

152392 | \$28.00

2. CUTTING BLADES MULTIPACK

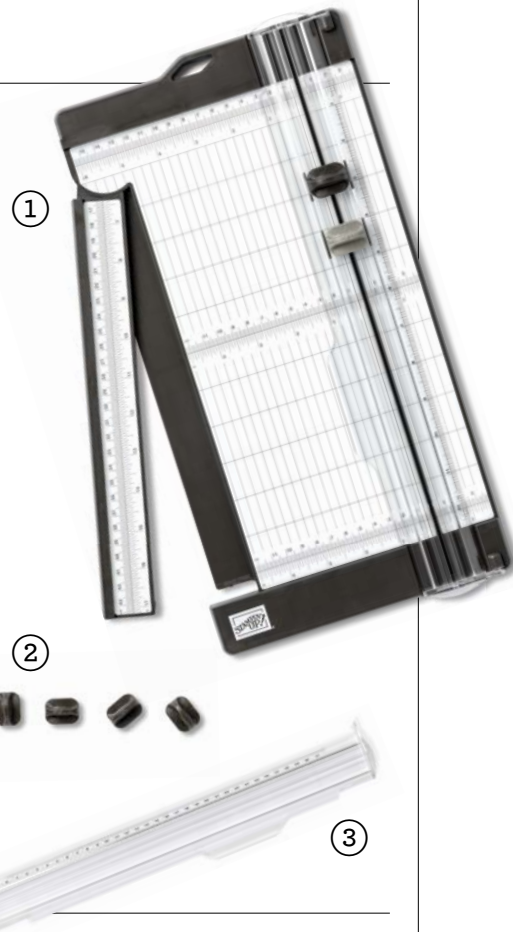

152391 | \$13.00

4 cutting blades.

3. PAPER TRIMMER METRIC BLADE GUIDE

154980 | \$4.50

Swap out the imperial blade guide to craft in metric measurements.

Q: WHY DO I NEED A STAMPIN' PIERCE MAT?

A: Do you mean, "Why would I need two Stampin' Pierce Mats?" Because they serve two great purposes. One is to protect your work surface as you pierce paper with the Take Your Pick tool, and the other is to provide the perfect surface to get even pressure and ink coverage when stamping!

STAMPIN' PIERCE MAT

126199 | \$5.00

6-1/2" x 9-1/2" (16.5 x 24.1 cm).

Quick. Portable. Full of Possibilities.

but what else can you do with punches?

Customize & Personalize with Dies

Personalize your project with accents you make with letters, shapes, and fun techniques.

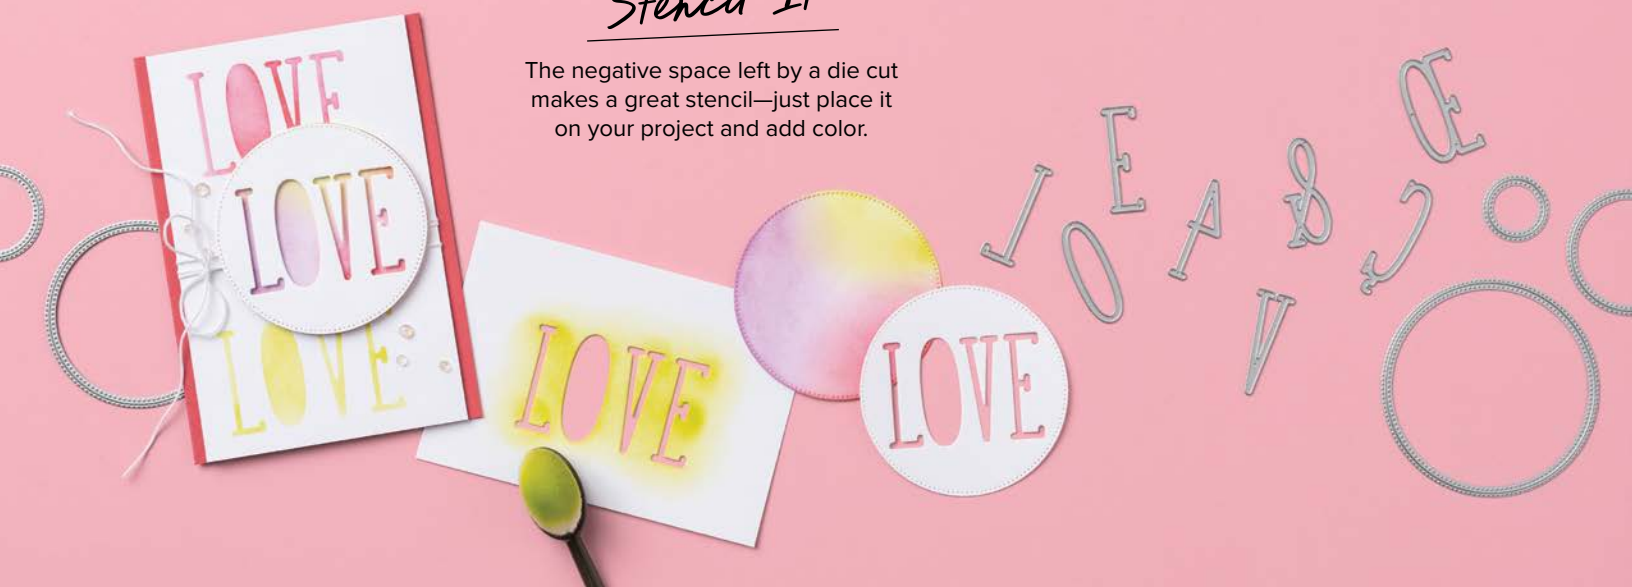

Try a Dip-Dye Look

Add eye-catching color and a dip-dye look to your letters with ink, water, and Water Painters.

Stencil It

The negative space left by a die cut makes a great stencil—just place it on your project and add color.

Go Glam

Add Metallic Textures Rub-Ons (p. 124) to the cardstock, then cut out the letters for glimmery glamour.

It's Ir-Resistible

Try the emboss resist technique. Emboss the wreath with white embossing powder, then use the flat brush tip of a Water Painter to brush ink over it. The embossed image resists the ink and makes the image stand out.

1

Go for the Gold

Create a gold-touched card. Swipe VersaMark ink (p. 131) along the side of a card, sprinkle with gold embossing powder, then blur the edge with your finger and emboss.

3

Add Some Shimmer

Create your own shimmer paper! Stamp an image, then wash over the entire piece of cardstock with a Wink of Stella™ brush.

Try Wet or Dry

Use Watercolor Pencils with water or dry for different effects. Use them with water on Watercolor Paper (p. 115) for maximum color vibrance. Or use them dry on Basic White Cardstock (p. 137) and press harder or softer to make them dark or light.

Choose three colors that are side-by-side on the color wheel. These color neighbors work together wonderfully to create harmony and balance.

Triadic

Craft with colors that are evenly spaced around the color wheel. Go beyond the primary colors (red, yellow, and blue) for something unexpected!
